Uniform Changes

We have made a slight change to our uniform for children in Reception, Year 1 and Year 2 (KS1). Reception and KS1 parents should have received a letter last week but if you missed it, please contact the school office. The uniform for KS2 children remains the same.

From September 2022, children in Reception and Key Stage 1 will no longer need to wear a shirt and tie. They will instead wear blue polo shirts that are inexpensive and readily available at most supermarkets. To fit better with the polo shirts, children will need to have a navy round-neck Jumper, rather than a v-neck jumper. These can be plain or have the school logo. Jumpers with our logo can be purchased through <u>Steady Schoolwear</u>. If you already have a v-neck jumper that fits this can be worn by your child next year as we gradually move to the new uniform. Cardigans can also be worn – both plain ones from a supermarket or with our logo,

purchased through steady school wear.

Improving Attendance

Being in school means children can learn. We are working with an organisation called SOL to improve pupil attendance. We are continuing to share with children what colour they are on the 'Attendance Diamond'. They will also know if their attendance is improving or dropping.

All children should aim to 'stay in the green' - at least 97% attendance. We will continue to work with parents and children to help overcome barriers that can impact attendance.

If you have any questions, speak to our Attendance Lead, Mrs Devaney.

Website - Google Translate

Our school website now has Google Translate which will hopefully help more families within our school community access the information on there. It is at the bottom of the home page

Photo Consent

We have now received most of the photo and video consent forms. If you have not completed this yet, it must be done before we break for the summer holidays. If you need any help completing the form, please ask at the school office.

Book search

As we have been preparing for September, we have noticed that we are missing a lot of reading books and we think they might still be in school bags or possibly at home. If any books are found over the summer, please return them in September and then we can add them back with our reading resources ready for the new year. Thank you!

Our Safeguarding & Child Protection Leader is **Mrs Devaney**. The Deputy Safeguarding & Child Protection Leader is **Mr Kenningham**.

• Contact the school and speak to either Mrs Devaney or Mr Kenningham via the main office on 01482 305740.

Out of school hours and during school holidays:

Goodbyes

We would like to say a huge thank you to Mrs Johnson and Miss Holdsworth for their support with learning at our school this year. They are both leaving our school for new roles elsewhere and we wish all the best for their exciting next chapter.

And we are also saying goodbye to Mrs Headland, our school cook who is retiring this summer. We will miss her amazing cooking but wish her joy and blessings for her retirement.

Thank you

It has been a very busy school year but we all feel privileged to be working within such a wonderful community. Thank you so much for your support of the school – it makes such a difference to the children when families and the staff work as a team as it helps everyone shine! We hope you all have a fantastic summer holiday and we look forward to seeing you all again in September.

Prayer for a Summer Day

Long warm days... The pace of life slows... A time for picnics and rest in the shade...

Lord, help me to rest a while in the cooling shade of your presence. Slow down my restless heart and fill me with gentle compassion for all your people. Amen.
